# MASSACHUSETTS CONFERENCE OF THE

# UNITED CHURCH OF CHRIST

## ARTICLE I

### Purpose and Terminology

1. The purpose of the Massachusetts Conference of the United Church of Christ as stated in its charter (1799) is "diffusing the knowledge of the Gospel of Jesus Christ. . . and in concert with other ecclesiastical bodies for the general increase of Christian union and spiritual efficiency and the advancement of Christ's Kingdom on earth."

2. Whenever in these Bylaws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All Churches which are members of Associations in voluntary fellowship with and recognized by the Conference, whether or not such Churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these Bylaws.

4. Whenever in these Bylaws the word "Area" is used, it shall be held to refer to those Associations or combinations of the Associations decided upon by the agreement of the respective Associations and recognized by the Conference.

## ARTICLE II

### Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over Churches or individuals or interfere with the government or discipline of the Churches. It shall advise and counsel the Churches when requested, but it is recognized that each Church has the power of self-determination in all matters.

## ARTICLE III

### Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our forebears confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

## ARTICLE IV

### Conference Meetings

1. Stated Meetings. In each year the Conference shall convene its Annual Meeting within the Commonwealth of Massachusetts within the period from April fifteenth through June fifteenth, as the Board of Directors may deem expedient to elect Officers, Executive Officers, Committees, Councils, and a Board of Directors for full or unexpired terms, as the case may be, the hearing of reports, to determine the annual rate of Fellowship Dues to be proposed to the Churches, to act on the recommendation of the Board of Directors concerning the amount or proportion to be retained from Our Christian World Mission giving of the Churches, to adopt a budget for the following fiscal year, and to transact any other business.

2. Special Meetings.

   a. Special meetings of the Conference may be convened by the Board of Directors, at such times and places within the Commonwealth as may be determined by the Board, provided, however, that notice of any special meeting and the purposes thereof shall, at least three weeks before the date of the meeting, be sent by mail to each of the Churches entitled to send delegates to the meeting, posted in the general office of the Conference and printed in newspapers published in Boston, Worcester and Springfield.

   b. A special meeting of the Conference shall be convened by the Board of Directors upon receipt by the office of the Secretary of the Conference or Chairperson of Board of Directors of a written petition stating the proposed purposes, and signed by not less than one hundred persons who shall be voting members of the Conference as defined and who shall represent at least fifty Churches, within sixty days of the receipt of such petition unless an already scheduled meeting of the Conference will be held within ninety days.

   c. No action shall be taken on any item of business not specified in the notice of the meeting.

3. Call to Order. The Moderator or in his absence the Vice Moderator, shall call the meeting to order and preside. In the absence of both of them, a member of the Board of Directors shall call the meeting to order and conduct the election of a Moderator Pro-tempore.

4. Budget. Not later than one month prior to the meeting of the Conference at which the budget will be presented for approval, there shall be mailed to each Church entitled to send delegates to the meeting sufficient copies of the budget and of the Treasurer's report to provide one copy for each minister and for each delegate to which the Church is entitled. Changes in the budget, either increases or decreases, (except hereafter noted) shall not be considered on the floor of the Conference Meeting unless a written proposal has been filed with the Office of the Treasurer at least ten days prior to the meeting. However, any increases or decreases in the budget may be proposed on the floor of the Conference meeting without advance notice provided 2/3 of the delegates vote to consider the proposal. The rate of Fellowship Dues and the proportion to be retained from Our Christian World Mission shall be voted at the Annual Meeting, and may not be changed by a subsequent meeting in any given year.

5. Quorum. At all meetings of the Conference a quorum shall consist of 200 voting members.

Appendix A - GUIDELINES FOR CLERGY COMPENSATION 1983

The 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ recommends to local churches the following guidelines for determining their pastors' salaries to avoid weakening the church and its ministry through neglect of the financial needs of its ordained leaders.

A. CONSIDERATIONS FOR DETERMINING CLERGY COMPENSATION
While the ministry is a unique profession requiring special patterns of financial compensation, several overall factors can be considered in determining the level of support for clergy. The total compensation package could justly be comparable to the median income of the parish, and perhaps be on a par with that of the local high school principal, showing consideration for years of service and special skills and training, and including annual cost-of-living increases.

B. CASH SALARY
The cash salary (not including housing and other expenses) ought to be no less than $14,000 for a full-time person in ordained ministry; less that $14,000 would indicate a person called to part-time work.

C. SOCIAL SECURITY ALLOWANCE in an amount equal to at least one half of the self-employment SS Tax (9.35% in 1982 rising to 10% in 1986); such allowance would be taxable income but it would ease the burden of the big SS tax bite.

D. HOUSING THAT PROVIDES:

(a) a furnishings allowance[1] and an equity development plan[2] for those living in a parsonage; or

(b) a housing allowance[3] for those who want to rent or own their homes;

E. BENEFITS WOULD INCLUDE:[4]

1. A pension plan, with a church contribution of 12% of salary basis, which is (a) at least 130% of cash salary plus any furnishings allowance for those living in a parsonage, or (b) cash salary plus housing allowance for those with such allowance;
2. a family protection plan, including disability insurance which is an additional 1% of pastor's salary basis;
3. group life insurance, which costs $50.00 per year;
4. medical and health insurance as provided through Conference Office (e.g. $2,040 in 1982 per family or $1,020 for single);
5. continuing education funding;
6. sabbatical leave plan;
7. holiday and vacation time;
8. maternity/paternity paid leave.

F. ALL PROFESSIONAL EXPENSES either paid directly by the church or fully reimbursed and not considered salary to include:

1. books, professional subscriptions;
2. professional memberships;
3. travel expenses and car allowance (church-owned car or travel reimbursement); and any other expenses incurred by the pastor and directly attributable to the exercise of ministry.

[1] A tax-free amount equal to no more than the fair-market rental value of the parsonage furnishings plus the cost of utilities not paid for by the church. See HOUSING FOR CLERGY, by Manfred Holck.

[2] See HOUSING FOR CLERGY, by Manfred Holck.

[3] A tax-free amount equal to no more than the fair-market rental value of the home, furnished, plus the cost of utilities. See HOUSING FOR CLERGY, by Manfred Holck.

[4] recommended to be 14% by 1985.

Appendix B - PROPOSAL ON NEW INITIATIVES IN CHURCH DEVELOPMENT

The 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ supports the action of the 182nd Annual Meeting in approving the participation of the Massachusetts Conference in the United Church of Christ New Initiatives in Church Development program as adopted by the 12th General Synod. The 183rd Annual Meeting directs the officers of the Conference and its Board of Directors to implement a program for church development as described below.

1. The result of the program in Massachusetts will be: the renewal and strengthening of existing congregations; research and strategy development, particularly in urban areas; the possibility of new congregations, especially minority ones.

2. The program will have a monetary goal of $850,000 for New Initiatives in Church Development in the Massachusetts Conference, with money apportioned according to the guidelines* voted at General Synod XII.

3. The mechanism and timetable will include:

   (a) the appeal will be made to members for individual gifts;

   (b) policy and planning for fund raising will be the responsibility of a Conference Fund Raising Committee tied to Association Fund Raising Committees which will work with congregations;

   (c) planning for fund raising will begin in June, 1982 and actual fund raising will climax with a special six-week effort ending on May 22, 1983 (Pentecost);

   (d) a Proposal Committee representative of the five Areas will receive all proposals, consult with Association Proposal Committees, United Church Board For Homeland Ministries and the Massachusetts Conference of the United Church of Christ staff, and recommend specific proposals to the Board of Directors for funding.

4. Renewal and strengthening of existing churches in the Massachusetts Conference will happen through:

   A. salary support to small membership churches in areas of high potential membership and mission opportunity where good quality, full-time pastoral leadership can significantly enhance church development;

   B. training programs in evangelism and church growth;

   C. research, analysis and strategy development in selected urban neighborhoods and rural areas with leadership called for implementation. Efforts will be ecumenical where possible;

   D. the development of a strategy for the renewal of ethnic and minority churches or the organizing of new ones.

* The General Synod Guidelines state: "The funds raised in each Conference will be divided with one-third being retained by the Conference and two-thirds being remitted to the Treasurer of the United Chruch of Christ." In addition, be aware that all projects meeting the national NICD guidelines and voted by the UCBHM Board of Directors will be funded fifty percent from national funds and fifty percent from Conference funds.

Appendix C - GUIDELINES FOR SUPPORTING THE CHURCH'S MISSION

In order to stimulate a serious examination of present giving practices and to suggest several steps to increased support for the church's mission, the 183rd Annual Meeting of the MACUCC affirms the guidelines adopted by the Eighth General Synod, revised for this decade, and recommends them to members and congregations for consideration and action.

GUIDELINES

General Synod suggests these giving practices for:

A. Individuals

   1. Set aside 10% of annual income after taxes for giving for all purposes.

2. Give for the work of the church at least $4 per week for every $1,000 of gross annual income, or 5%.
3. Move toward these goals, if they have not already been reached, by
   - increasing each year the percentage of income set aside for giving;
   - making a commitment to the congregation declaring an intention to give a specified amount during the year;
   - increasing each year the weekly or monthly gift for the church's work.
4. Plan to include the work of the UCC in wills and annuities.

B Congregations

1. Affirm the long-range goal of giving $1 for work outside the congregation for every $1 spent on current local expenses.
2. Give at least an amount equal to 25% of current local expenses for Basic Support of OCWM.
3. Move toward these goals, if they have not already been reached, by
   - asking each member to make a commitment of financial support;
   - making a commitment to the Conference declaring an intention to give a specified amount during the year for basic support;
   - increasing giving for Basic Support by at least 1% of operating budget each year;
   - offering each member an opportunity to participate in all church offerings of the UCC;
   - sending monthly remittances for OCWM to the Conference office.

C. Conferences

1. Give high priority to obtaining increased receipts for Conference and national work.
2. Move toward increased receipts by
   - suggesting challenging goals to congregations and requesting commitments from them;
   - making a commitment to the national instrumentalities declaring an intention to give a specified amount during the year for national Basic Support;
   - promoting participation in the all-church offerings;
   - sending monthly remittances to the national treasurer;
   - sharing budget surpluses or deficits in the same proportion represented by the goals for the Conference and national parts of Basic Support;
   - consulting with the Stewardship Council regarding the percentage or number of dollars retained for Conference work.

Appendix D - RESOLUTION ON HUNGER AND MILITARY SPENDING

Yahweh enters into judgment with the elders and princes of the people,
"It is you who have devoured the vineyard,
the spoil of the poor is in your houses.
What do you mean by crushing my people,
by grinding the face of the poor?" Isaiah 3:14-15

WHEREAS we are called, as the people of God, to witness to the establishment of God's commonwealth, a time of justice and mercy that would ensure peace and well-being for all. We are reminded that nations shall be judged by the standards of that commonwealth and are grieved that our nation stands under judgment for sacrificing the poor and powerless among us on the altar of national "defense".

WHEREAS the 1982 Federal budget reflects a shocking order of priority:

1) Although social welfare programs comprise 17% of Federal spending, those programs sustained 70% of the 1982 budget reductions. The poor suffer a disproportionate burden in our current budget allocations.

2) The tax cuts, amounting to $730 billion in the next three years, continue to

re-distribute the resources of the nation to the control of the wealthy and the corporations. This preference for the rich is in opposition to the Gospel's preferential option for the poor.

3) Expenditures for the military will amount to $1.5 trillion in the next 5 years. As a nation, such a narrowly defined quest for national security amounts to idolatry of gods that will fail us.

WHEREAS the proposed 1983 budget would continue the present trend, reducing welfare expenditures by 30-40% and increasing military expenditures by 33%.

WHEREAS President Reagan's New Federalism proposal that transfers responsibility for Food Stamp and Aid to Dependent Children programs to the states does not guarantee adequate funding levels nor provides for equitable distribution of benefits.

THEFEFORE, the 183rd annual meeting of the Massachusetts Conference of the United Church of Christ:

Denounces the present apparent national priority as a two-fold crime against humanity - it plunders the poor and terrorizes all humanity with a growing nuclear arsenal;

Affirms our solidarity with the victims of current policies. To that end we pledge to do all in our power to reverse the projections of the 1983 Federal budget that would continue the oppression of the powerless. We recommend that all pastors, delegates, and church members urge their Representatives and Senators to preserve social welfare programs at present budgetary levels and to retain the present mix of Federal and state funding and control.

Recognizes the anger we feel as unwilling partners in increased expenditure for the purposes of global destruction and the terror we feel as potential victims of that holocaust. We recommend that MACUCC continue its support for a mutual nuclear weapons freeze and a halt to testing, production and deployment of nuclear weapons and delivery systems.

Appendix E - RESOLUTION ON FREEDOM OF CHOICE AND ABORTION

WHEREAS the issue of freedom of choice in regard to abortion remains before us;

WHEREAS certain pieces of legislation are presently resting in Congress which will by constitutional amendment define the beginning of life and restrict the freedom to choose;

WHEREAS the theological positions of major religions differ:
regarding the beginning of life and personhood,
regarding the meaning of freedom to choose,
regarding the meaning and context of sin,
regarding the formation of a sexual theology;

WHEREAS there are legal conflicts in the area of the separation of church and state which raise the whole issue of religious liberties; and

WHEREAS the ethical and legal and religous considerations of the rights of individuals and families can be interfered with by the passage of such legislation as now appears before Congress;

THEREFORE BE IT RESOLVED:

(1) that the Massachusetts Conference of the United Church of Christ at its

183rd meeting, sitting in celebration of the 25th anniversary of the United Church of Christ, again reaffirms the statements of the 8th, 9th, 11th, 12th, and 13th General Synods, and asks the churches to study these documents and to inform their members;

(2) that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ urges all its members and constituencies to write their representatives in the U.S. Congress to urge defeat of any amendments to the Constitution or other laws restricting freedom of choice, on the basis of religious liberty and freedom;

(3) that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ asks the agency in the Conference assigned to the family life priority to include the abortion issue and sexuality as a part of its design for implementation of the study of said priority in the local churches;

(4) that churches continue to urge and hold sexuality education including birth control information in their communities, churches and schools;

(5) that all persons continue to study the varied issues involved in the abortion question;

(6) that churches accept the responsibility of ministering to people in their decision process and in the implications of that choice. Besides abortion, the choices include adoption, and keeping the child. On the part of the church and others, individuals and families should be offered support regardless of choice.

Appendix F - RESOLUTION ON CAPITAL PUNISHMENT

WHEREAS the 162nd and 163rd Annual Meetings of the Massachusetts Conference of the United Church of Christ in 1961 and 1962 stated that "the death penalty is both a symbol and an expression of an outmoded, ineffective and unchristian approach to the problem of capital crimes"; and

WHEREAS the Seventh, Ninth, Eleventh and Twelfth General Synods of the United Church of Christ have declared their opposition to the death penalty as a means of restorative justice; and

WHEREAS a preponderance of religious bodies continue to actively oppose capital punishment as contrary to our understanding of the Christian faith and the New Testament call to redemptive love, mercy and sanctity of life; and

WHEREAS it has been demonstrated that the death penalty is applied discriminately toward Blacks, Hispanics, Native Americans and the poor of every race;

WHEREAS studies have demonstrated that the death penalty is not a deterrent to violent crime;

THEREFORE BE IT RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ reaffirms opposition to the death penalty; and urges its members to work against the reinstitution of capital punishment in Massachusetts.

BE IT FURTHER RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ urges its members to ask the state representatives and senators to vote to refer the capital punishment issue to a special committee to study at the forthcoming Constitutional Convention.

AND BE IT FURTHER RESOLVED that opposition to the death penalty must be accompanied by compassionate support for the families and other loved ones of murdered victims. We mourn the loss of human lives, and we feel the agony and anger of the survivors. Though nothing can compensate for the loss of a loved one, it is the role of our religious communities to offer the balm of God's healing, and it is the respon-sibility of everyone, including state government, to provide the financial and other means to alleviate a family's distress.

Appendix G - RESOLUTION ON THE CHURCH AND THE POOR

WHEREAS with other churches of Jesus Christ, the United Church of Christ continues to be confounded as to how we are to include within our life and ministry those who are poor - with poverty WRIT LARGE;

We debate and discuss whether our ministry is to be
WITH the poor
AMONG the poor
ON BEHALF OF the poor
TO the poor
FOR the poor
(all of the above)
(none of the above);
We abhor poverty and treat it as a contagious disease while worshipping One who had no place to lay His head and depended as an adult on the good will of strangers and friends for His room and board;

WHEREAS we note a trend in modern American society, including the people of the churches which bear the name of Jesus Christ, to "blame the victim" and to become hardhearted;

We tell stories of our "log cabin" experiences and that of our forebears to prove that we are not immune from poverty, while never having fallen prey to the seduction of programs of public assistance (except tax loopholes and the like);

We admit to being engulfed today with words and pictures and human sightings of the poor: the homeless of the world, the starving of the world, those freezing to death in the world, the thirsty of the world, the orphans of the world, the unemployed of the world;

Among those who most confound us are the fatherless and their mothers (motherless and their fathers) - those children conceived in lust or love who now make up the largest segment of that arena of public assistance which we call AFDC or ADC (Aid to Families with Dependent Children);

These are the poor about whom we squabble the most, these children and their mothers (fathers);

WHEREAS we have been saddened to see the President of these United States and the Governor of this Commonwealth link arms in an attempt to solve the problems of these poor children and parents by seeking to implement a program to penalize these fatherless (motherless) children for the inability or unwillingness of their mothers (fathers) to find work in order to escape the rolls of public assistance (this at a time when the unemployment rate is high, the availability of childcare and public transportation low, and the stigma of public assistance nasty);

BUT, a temporary victory has been won: the proposal of our Governor of October 1981 for a "Massachusetts Comprehensive Work and Training Program (called WORKFARE) has been so modified that its original vindictive approach to work opportunities has been mitigated and its punitive judgments on children have been withdrawn;

However, even in this season of "victory" we have still made of work an IDOL for those who have it (whether it is productive or not) and a DEVIL for those who avoid it or are denied it.

THEREFORE BE IT RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ calls upon the people of the churches of Jesus Christ to:
- examine their hearts and minds as they have occasion to come into contact by sight, word or touch with poverty/the poor of their communities, this Commonwealth, America and the world;

-find concrete ways of meeting together in their homes and churches to learn more about the facts of an economy which leaves (presently) 1 in 12 adults (officially) unemployed; a society lavish in its resources which allows some to be hungry, ill and unhoused, left to put pride aside and seek assistance from the "common good";

- consult regularly with leaders of government to create ways through legislation and budgeting so that the resources of our society may be shared, allowing for full employment, public assistance for those of every age who are unable to provide for themselves, opportunities for education and training to allow personal development and growth leading to productive work and life;

- join with other women and men of whatever faith or none in the arduous endeavor to root out those gnawing powers of racism which infiltrate our dealings with issues of poverty/the poor; and

- as the eldest sisters and brothers of the community of Christ in the Commonwealth to take renewed leadership in this battle for freedom from racial fear, hatred and practice with its accompanying terror of division within the body leading us toward death.

We further call upon the Council for Mission Outreach and Social Responsibility to provide the leadership and resources necessary for implementation.

We further commend the actions of the Minister and President of the Massachusetts Conference of the United Church of Christ, the Board of Directors of the City Missionary Society and other leaders of the church of Jesus Christ, who united with leaders of the poor, labor, social service agencies and others to say NO to the punitive WORKFARE program, thus leading to its modification and humanizing.

THEREFORE BE IT FURTHER resolved that in and through all of this, we look to Christ to be a constant reminder, challenger and companion in the struggle for individual and collective wholeness and freedom.

Appendix H - COVENANT ON RACISM/ECONOMIC JUSTICE

INTRODUCTION

During the past forty years there has been a steady and painfully slow upward economic move for a small segment of minority persons. Now we see somber signals and hear scoffing sounds! The current social and economic changes that are taking place in our nation suggest to Blacks, Hispanics, Asians, Native Americans and others that the days of even minimal gains are over. Pending federal legislation seeks to undermine the Civil Rights Act of 1964, as well as laws related to equal employment opportunity and affirmative action. Racist acts and racist groups multiply and flourish in our country even in New England under the name of Jesus Christ.

There is a critical need at this time for all followers of Jesus Christ to assert themselves and to say NO to policies and behaviors of the government, corporations and churches which foster racism and further economic injustice.

The challenge, as never before, is to listen carefully to the concerns of minorities and to all persons caught in the web of poverty and to covenant together to find effective ways to empower and support their economic development.

RESOLUTION

WHEREAS the Bible affirms God's love for all persons, it futher declares God stands particularly with the poor. The repeated message in the Old and New Testaments is that God lifts up the weak and oppressed and warns the rich.

> *If you pour yourself out for the hungry and satisfy the desire of the afflicted, then shall your light rise in the darkness---you shall be called the repairer of the breach, the restorer of streets to live in.*
>
> (Is. 58:10, 12b)

> *In the Magnificat (Luke 1:46-55) Mary announces the advent of a new day when God has put down the mighty from their thrones and exalted those of low degree; filled the hungry with good things and the rich God has sent empty away.*

WHEREAS the United Church of Christ in its heritage has been in the forefront of struggles for racial justice dating back to the abolition movement of the 19th Century; and

WHEREAS the 8th and 10th General Synod of the United Chrurch of Christ affirmed commitment to racial and economic justice, and

WHEREAS the Massachusetts Conference Annual Meeting almost twenty years ago, in 1964, urged members of its churches to:

1) look anew at the whole problem of poverty, its causes and effects and to organize study and action programs accordingly, and

2) give special consideration to the problem as it relates to racial or minority groups in their own communities; and

WHEREAS the United Church of Christ through its incorporating statement and emblem affirms our oneness, we confess that our recent behavior has failed to keep pace with the intent of our words and the demands of Jesus Christ in the elimination of racism and economic injustice; and

WHEREAS the Kerner Commission after a study of racial division in this society announced in 1969 that the United States was moving towards "two nations separate and unequal" and the current studies reveal that the inequities have become greater in the 1970's and early 80's and

WHEREAS current political and economic trends in our nation suggest that in the coming months there will be additional cutbacks in services to the poor, and

WHEREAS the Massachusetts Conference of the United Church of Christ is called by our Lord Jesus Christ who lived and died that all might know fullness of life, to enter into a covenant with minorities and all those most economically oppressed to heal society from its scourge of racism to inclusiveness and economic justice;

THEREFORE, BE IT RESOLVED that as the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ affirms the Peace and Family Life priorities of the United Church of Christ, the 183rd Annual Meeting instructs the implementors of these priorities in the Conference to address in depth the related issues of Racism and Economic Justice;

BE IT FURTHER RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ affirms the struggle against racism and economic injustice as a Conference imperative which must permeate all aspects of Conference life - Board of Directors, Staff, Councils, Committees, task forces, Associations and local churches

as well as appropriate financial resources during the period between September 1982 and September 1985;

BE IT FURTHER RESOLVED that the Board of Directors, staff and the two councils will:

a) address poverty directly within the Commonwealth by finding creative and effective means for helping to generate economic power within the minority community; and

b) use its influence at the local, regional and national levels of the church and the business/corporate sector to develop the kind of economic policy which promote a more just society for all persons, and

c) use political advocacy at the local, regional and national levels to enable legislations which help eliminate racism and economic injustice,

BE IT FURTHER RESOLVED that the Conference Minister and President, the Board of Directors and Council for Mission Outreach and Social Responsibility will report to the 184th, 185th, and 186th Meetings in 1983, 1984, and 1985 progress towards this imperative and Conference goals and strategies for the coming years.

Appendix I - RESOLUTION IN SUPPORT OF A JUST WORLD ORDER

*WHEREAS the Massachusetts Conference of the United Church of Christ by earlier actions has demonstrated its support for reversing the nuclear arms race;*

*THEREFORE BE IT RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference, United Church of Christ, expresses its support of, and commends to the 14th General Synod the adoption of A RESOLUTION IN SUPPORT OF A JUST WORLD ORDER, the text of which is made a part of this resolution.*

RESOLUTION IN SUPPORT OF A JUST WORLD ORDER
(A Proposal to the 14th General Synod of the United Church of Christ)

Actions of prior General Synods of the United Church of Christ have demonstrated a general concern in support of reversing the arms race and in particular in support of reducing the threat from nuclear arms. This resolution is offered in the belief that nations will not seriously consider arms reduction under current world conditions and that a prerequisite for arms reduction is the establishment of conditions under which political leaders can feel their national interests and security are served and protected by means other than military power. It is important, then, that we move beyond calls for arms reduction to working for conditions under which such reductions can take place. New global structures must be considered to ease the tensions deriving from unlimited national sovereignty. The form and extent of such structures remain to be specified.

Global conditions that include a world population approaching the limits that can be supported by the earth's resources, means of communication that bring the peoples of the world into closer contact, economic conditions that aggravate the lot of the poor, and military expenditures and political oppression that deprive billions of people of the basic necessities of life, all call for the examination and modification of the methods by which international relations are maintained in today's society. The nations of the world are locked in a system of individual national sovereignty that leads to intense competition and frequent conflict. Under the existing system, each nation strives for military strength adequate for its perceived needs, for protection of its monetary system, of its financial solvency, and of its economic participation in world trade, and for an adequate share of the world's natural resources.

All peoples of the world could benefit if cooperation among nations could replace the competition, if military expenditures could be diverted to serve human needs, if just

methods of distribution could lead to broader sharing of resources. Political leaders voice support for a just social world order, but the imperatives of nationalism preclude even the most willing from acting in accord with their ideals. Great nations are not able to relinquish military power unless there is assurance by some other means that their national interests will continue to be served. International law does not have the support of international agencies with enough power to provide that assurance.

The 12th General Synod of the United Church of Christ adopted a pronouncement calling for the Reversing of the Arms Race. Among other provisions, the pronouncement "Calls upon each individual in the United Church of Christ...to study the methods of peacemaking, ...upon our government and all governments of the world to work together to reduce the danger of a nuclear holocaust,...upon our government to establish a national center for research and training in peaceful methods of conflict resolution."

The 13th General Synod adopted a resolution calling upon all segments of the United Church of Christ to become a peace church. By a document reflecting on this possibility, we are taught "As one measure of seeking the genuine security of the nation the peace church will criticize nationalism and contribute imagination, energy and support for creating a world community and a new world-wide security system. The peace church will do everything in its power to demonstrate that such a new order of security must be based on economic justice, political freedom, and cultural unity in diversity. It will show, for example, that the security of the United States depends on the security of the Soviet Union and of every other nation and region of the world."*

A call for a just world order will be based on the recognition that nation states serve valid functions, that a new order must evolve in stepwise fashion from the existing world political situation, that nations must relinquish a portion of their sovereignty in spheres that are best managed by regional or world-wide agencies, but that nations will surrender such sovereignty only if their leaders are convinced it is in their best interest to do so. Spheres in which social good is best served by international agencies that have sovereignty to a degree appropriate for their needs would include functions such as peace keeping, allocation of natural resources (as exemplified by the negotiations toward the Law of the Sea), the World Court, control of air and water pollution, health and nutrition as already embodied in agencies of the United Nations.

WHEREAS the 12th General Synod has called for a reversal of the arms race, and

WHEREAS the 13th General Synod has asked that all segments of the United Church of Christ become a peace church;

THEREFORE BE IT RESOLVED that the 14th General Synod of the United Church of Christ calls upon all local congregations to recognize their importance as agencies of peace and justice, to form local, interdenominational task teams for reducing poverty and oppression in their communities and beyond, and to support means by which international cooperation can be achieved for serving humanity through reducing poverty and oppression through sharing of the earth's resources, and by promoting a just social and political world order, and to register their acceptance of this resolution in communicating:

BE IT FURTHER RESOLVED that the 14th General Synod of the United Church of Christ calls upon the boards, instrumentalities, agencies and commissions to cooperate with appropriate agencies of other Christian denominations and with other religious bodies in sharing and publicizing mutual concerns for the peoples of the world and in building networks of fuller cooperation for promoting a just world order.

Appendix J - RESOLUTION ON CORPORATE CONVERSION

WHEREAS our Lord Jesus Christ, by precept and example has called us to be doers of justice and witnesses for peace, and

WHEREAS the General Synod has lifted up the Peace Priority for study and action by our people and churches, and

WHEREAS economic conversion from military-related industry to non-military production is a significant step in the quest for peace and justice,

THEREFORE BE IT RESOLVED:

1) that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ urges all companies engaged in military contracting to begin the process toward peace-time conversion by reducing their military contracting by at least 10% each year, and that cooperating companies be duly recognized and supported;

2) that the Massachusetts Conference of the United Church of Christ Board of Directors be charged to initiate dialogue with the Congregational Fund Directors and with companies with whom the Massachusetts Conference of the United Church of Christ through the Congregational Fund has investments to assure that our Conference stewardship reflects our commitment to peace and justice through economic conversion;

3) that local churches and individuals be encouraged and assisted by Conference staff and task teams in their own pursuit of peace through study materials, workshops, and counsel on economic conversion, civilian re-employment, tax resistance, and related issues.

Appendix K - RESOLUTION ON HALTING THE ARMS RACE

BE IT RESOLVED that the 183rd Annual Meeting of the Massachusetts Conference of the United Church of Christ, in the United States of America, who are in fellowship with all Christians worldwide, including our brothers and sisters in the churches of the Union of Soviet Socialist Republic, who have faith in Jesus Christ, the Prince of Peace, and who are committed to the Christian principles of peace, justice and the survival of humanity, are deeply concerned that the current escalating nuclear arms race is increasing rather than decreasing the risk of nuclear holocaust. Therefore, we petition the President and the Congress of the United States of America, and the President and the Politburo of the Soviet Socialist Republic to take all steps necessary to bring about an immediate halt to the nuclear arms race, for the sake of civilization, our children, and the Earth.
